Seating capacity without dance floor: 140

First Floor Rental \$1000

This includes 5077 sq ft of space with all three rooms combined.

Great space for large receptions and parties.

Seating capacity: 250

You may request a room to be booked for your event based upon the number of guests scheduled at that time. If this number fluctuates it may be necessary for the Club to reassign the room for your function. We also insist that notice of any changes in guest count be made at least 14 days in advance so that the Club may make the necessary adjustments for your event.

At this time the guest count will become and remain final.
